SEE OVER

Tuesday 29th – ei Special Event - Editorial Intelligence & partners present: 'Comment Conference: Brand New Britain?'

In association with British Council, City of London Corporation, Edelman, Jaguar Land Rover & ResPublica.

Associate/Publishing Partners: Barclays, Clear Channel International & Clifford Chance

Broadcast Partner: BBC Global News

A series of discussions through the day at various locations in central London from Somerset House to Canary Wharf and the Design Museum. Guests will attend either all or some of the discussions throughout the day and be transported on both a mental and physical journey across London.

Please note this is an ei Special Event and not part of the usual ei Club programme – we have a number of complimentary places for ei Club members so please let us soon as possible if you are interested in attending.

Sessions include:

London Central: Does the Capital still command the business heights?

Britain Abroad: Can Britain be trusted in the world?

British Communications: Still leading the world?

Brain Drain: Is British Innovation here to stay?

British Business: A live recording of **BBC Radio 4's The Bottom Line** with **Evan Davis** for radio and TV.

Speakers include:

Elaine Bedell, Director of Entertainment & Comedy, ITV; **Phillip Blond**, Founder, ResPublica; **Jane Martinson**, Media Editor, The Guardian; **Bronwen Maddox**, Chief Foreign Commentator, The Times; **Samantha Roddick**, Founder, Coco de Mer; **Philippe Sands QC**, author of *Lawless World*; **Dr Anthony Seldon**; Political Historian & Master, Wellington College

For further information see www.commentconference.com
